3-LAYER SOFTSHELL

While the weather may be temperamental, your attitude can be soothed by wearing this technical three-layer performance bonded soft-shell. A water proof and breathable membrane between this stretch shell and light fleece liner - rated at 5000/3000 - it will keep you dry for hours in many weather conditions.

- 92% Polyester / 8% Spandex
- 300gsm / 8.9oz
- Waterproof Breathable: 5000mm/3000g/24
